

## Corporate Membership Application

The Council on Aging St. Tammany (COAST) is a private, nonprofit organization operating under a charter from the State of Louisiana, serving St. Tammany residents age 60 and older.

The purpose of the Council is to nurture the life of the elderly in the parish. The welfare of the elderly is monitored in many ways, from the direct provision of food and transportation service to a broad overview of recreation, employment, financial status, social adjustment, mental and physical or other conditions affecting the well being of the aging people in the parish.

COAST also keeps abreast of the latest developments in these fields of activity and interprets the finding to its service clientele and the public through public meetings and recommendations for needed improvements and additional resources. COAST coordinates with the services of other local agencies and cooperates with Governor's Office of Elderly Affairs and other departments of state government serving the elderly.

Corporate membership in COAST is open to anyone age 18 or older, who is a resident of St. Tammany Parish. There are no dues. The Board of Directors is usually chosen from corporate members.

If you have an interest in joining COAST, please fill out the form below.
